[About me](#)

**50 people gathered around me, shouting play! play! My 5 friends laughed as I picked up a generic guitar, and then I played...**

I have always been a shy person at heart. Stage fright is something that I have always dealt with. I was at a party on this particular night, surrounded by simply too many people for my comfort. Someone got wind that I played guitar.

**Picture this** - sitting at a table are some people playing cards, in a corner are others dancing, in another part of the room a kid was showing off his "moon walking" skillz, and the noise was deafening.
